

# Oysters and Pearls

## Fancy doing more than networking to celebrate *International Women's Day*?

If so please join us at our next Oysters and Pearls Event

These events bring together local successful women with girls wanting to know more about career opportunities and the skills employers are looking for. The events are facilitated by a professional actress and are full of motivation, debate and sharing. We want the girls to believe in themselves and their future. Delegates at previous events have told us "it was life changing" and teachers said they visibly watched the girls 'grow' during the course of the day.

Please pledge a day of your time and join us for an event full of learning, giving and sharing.
